SOBEYES SOP

1. Driver must have PPE before entering Sobeys warehouse. Safety vest and safety shoes.
2. Upon arriving at Dispatch let them know your Route number, PC ID and your contact information.
3. MAKE SURE to check your paperwork for any special instructions such as PTG, HJK, OR 2WHLR. You might also have backhaul paper attached with your paperwork.
4. PTG - Power tailgate (IF YOU HAVE THIS MAKE SURE TO CHECKOUT TAILGATE CORDFROM DISPATCH) and sign back in upon return from your Route. Failure to do so will result in removal from combo or wholesale routes.
5. Electric Jack- Fill out MHE form every time you use it. MHE form booklet should be placed on all the electric jacks. If booklet is full or misplaced, ask dispatch for new one.
6. If Load is not ready when you show up, you must get extra timesheet which will get you paid until you are waiting.
7. While doing PRE TRIP it is mandatory to take pictures from all 4 sides or truck and trailer separately to upload in samsara.
8. While in Sobeys yard or any pick up locations, DO NOT HOOK trailer at dock if light is RED. Ask shipper or receiver to assist.
9. DO NOT seal trailers yourself, the security will do it. Trailer should be sealed at every stopincluding return to the yard. Even, an empty trailer should be sealed. Show the sealed trailer to Shipper/receiver/security
10. Make sure you are standing at the dock with shipper while they are taking skids off and matching it with your paperwork, so they are not missing or mistakenly removing other store product.
11. Driver is responsible to offload all the time but if store is doing it its not their duty they are Helping driver.
12. All time sheets should be filled neatly and as per instructions. MOST IMPORTANTLY ALL KMSAND TIME IN AND OUT TO BE NOTED ON TIMESHEET. STAMPS IN AND OUT.
13. Always check if load is secure while doing pretrip and must secure after every delivery, its your responsibility to check not shippers. YOU are responsible for the skids falling/tipping over if skid was not secured properly.

SOBEYES SOP

14. Always check if load is secure while doing pretrip and must secure after every delivery, its your responsibility to check not shippers. YOU are responsible for the skids falling/tipping over if skid was not secured properly.
15. The driver needs to take at least one picture of the load when driver arrives at store and trailer door is opened to get credit for a survey completion. In this picture we should clearly see the Strap that was put in place at the drivers last stop to secure the load while driving.
16. Always do surveys (Driver CANNOT RATE on store's behalf. Please ask store for rating and comments. This is the whole point of the surveys.
17. After returning to yard park dry van on dry side and refer on chill side. DO NOTDROP TRAILER ANYWHERE RANDOMLY IN THE YARD. IF there is no spaceask shunter for spot.
18. Post trip pictures should be uploaded in Samsara and any fault in truck or trailer should be reported to dispatch.
19. it is the responsibility of the driver to offload ANY store returns, damaged product or undelivered product from their trailer into the RSC. Driver is to offload product, hand paperwork to Clerk/TL in RSC and driver is to receive a signature on their paperwork from TL/Clerk or supervisor releasing them of ownership of that returned product.... Failure to complete this process in full could result on missing or damaged product being charged back to the driver.
20. Please take your garbage out when route is completed.
21. Drivers are not to park on any available dock for warehouse access (e.g., handjack, jigger, or load adjustments). Drivers should only use docks 39, 40, 41, 42, 49, and 50, if available.
